PHONE (810) 732-1590 FAX (810) 732-1474

March 23, 2020

Dear Resident,

You are receiving this follow up letter to the **Notice of** Day of Review of Apportionment, Drainage District Boundary, and Bidding Drain Contract that we mailed out March 6th. In that original letter, the Day of Review of Apportionment and Drainage District Boundary was for March 31, 2020. The Genesee County Board of Commissioners has closed the County Buildings to the public.

On March 31, 2020 **Assessment information will be available** over the phone at 810-732-1590 or online at www.GCDCSWM.com under Assessments. If we have spoken on the phone and you feel we still need to meet, we can set up an appointment to meet once our office is allowed to receive the public.

The lands to be added or deleted as recommended by a licensed professional engineer or surveyor for the Drain are shown on the map provided in the previous letter. This map is also available online at www.GCDCSWM.com under Construction. If you have any questions or concerns in regards to this Drainage district line please contact our office at 810-732-1590. If we have spoken on the phone and you feel we still need to meet, we can set up an appointment to meet once our office is allowed to receive the public.

The Genesee County Drain Commissioner's Office is committed to the health and safety of our community, our dedicated staff, and the members of the public who visit our offices on a daily basis. The COVID-19 virus has created unprecedented circumstances around the world, and we have a responsibility to mitigate the spread of this illness.

Susanne Hogan, Senior Civil Engineer
GCDC-SWM
